- contract and grant expenditures by department (latest fiscal year figures will be included when the data is re-run in August)

Department Data

- total student credit hours by course level
- total number of course sections by size
- total number of student credit hours by location and modality
- faculty FTE
- contract and grant awards and expenditures (latest fiscal year figures will be included when the data is re-run in August)

Undergraduate-level Program Data

- headcount in major by plan and subplan
- degrees granted by plan and subplan
- honors-in-the-major awarded
- minors and undergraduate certificates awarded
- time-to-degree
- headcount by bio-demo characteristics
- average SAT and ACT composite scores
- average high school GPA

Master's-level Program Data

- headcount in major by plan and subplan
- degrees granted by plan and subplan
- graduate certificates awarded
- time-to-degree
- headcount by bio-demo characteristics
- application statistics
- average GRE composite scores
- average undergraduate GPA

Doctoral-level Program Data

- headcount in major by plan and subplan
- degrees granted by plan and subplan
- time-to-degree
- headcount by bio-demo characteristics
- application statistics
- average GRE composite scores
- average undergraduate GPA
