COLLEGE	College of Health Professions and Sciences
PROGRAM	Social Work, MSW

The University of Central Florida is committed to providing clear and accurate information to current and prospective students to help inform career planning. The UCF program identified above prepares students to practice in a field with professional licensure or certification available. However, specific licensure and certification requirements can and often do vary by state¹. Requirements typically include earning a degree or other educational credential in the field from an institution and program that meet certain eligibility requirements in that state (e.g., curricular requirements, accredited status, approval by the state licensing board); passing a state or national exam; working in the field for a minimum period of time; and/or completing a certain number of clinical hours. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice.

The above-named UCF program meets the educational requirements for licensure as a Licensed Clinical Social Worker (LCSW) in the state of Florida.

UCF Program Preparation in Other U.S. States

As a member of the National Council for State Authorization Reciprocity Agreements (NC-SARA), UCF is authorized to offer educational programs in all states (except California), the District of Columbia, Puerto Rico, and the U.S. Virgin Islands. The state of California is not currently a member of NC-SARA, but UCF is authorized to offer educational programming there as well.

We are currently unable to determine whether or not the above-named program meets the educational requirements for graduates to be eligible to apply for licensure or certification in any additional states.

If you have an interest in pursuing licensure or certification outside the state of Florida, we advise you to determine whether or not this program meets the educational requirements for graduates to be eligible to apply in that location.
