

UCF Academic Program Review Sources that Inform Review

- institutional trend data (provided by Office of Institutional Knowledge Management (IKM) and located at the following link: <http://ikm.ucf.edu/academic-programs/program-review/>)
- program and department self-studies (including *Contributing Faculty Activity Worksheet* supplement)
- department/unit statements of good faculty teaching qualifications practices (“discipline descriptions”) <http://apq.ucf.edu/fq/fqteaching/dd/>
- graduate faculty members and scholars review and (re-)nomination
- supplemental review materials (*see below*)
- external consultant reports

Supplemental Review Materials List

Supplemental materials collected by the program should be sent via USB to Coral Rojas in Academic Affairs, MH-338 (+0065). Please clearly label all files and materials. See APR schedule for deadline.
