

Program Review Council

The Program Review Council is an advisory group that assists in carrying out the purposes of academic program review as described in [UCF Policy 4-407 \(Academic Program Review\)](#). Members are appointed by the provost or designee, who is the Senior Associate Provost for Academic Affairs. The council is chaired by the Senior Associate Provost for Academic Affairs. At minimum, other council members include the Vice Provost for Student Learning and Academic Success and Dean of the College of Undergraduate Studies, the Vice President for Research and Dean of the College of Graduate Studies, the Vice Provost for Faculty Excellence, and the Director of Academic Program Quality, or their respective designees. Additional members may be added at the discretion of the provost or designee.
